Franklin College of Arts and Sciences
UNIVERSITY OF GEORGIA

Community
MAPPING LAB
— Dept. of Geography, University of Georgia —

Join us as students share results from the collaborative projects they've been working on with partners in the Athens-Clarke County area.

- Mapping trends in property values for the **Athens Land Trust**
- Identifying areas for program interventions with the **Juvenile Detention Alternatives Initiative**
- Evaluating county land suitable for community gardens with the **Athens-Clarke County GIS office**
- Identifying trends in ridership and transit access with **Athens-Clarke County GIS office**
- Analyzing spatial trends in voter registration and turnout with the **Clarke County Board of Elections**
- Mapping out school enrollment patterns with the **Clarke County School District**

Each group will provide a short presentation on their project, and light refreshments will be served. For more information contact Dr. Jerry Shannon, jshannon@uga.edu.
