UGA's Geography Newsletter

MARK YOUR CALENDAR: GIS DAY 2023

GIS Day 2023 will be happening on Wednesday, November 15th this year and will be separated into two main events.

- First, **GIS at UGA (10:30-12:30, Main Library)**: An event about how GIS is done at UGA in the Main Library. The library entryway will include show and tell with multiple technologies, and there will be a drone demonstration during this event. UGA faculty will give lightning talks on their research in the first floor classroom, followed by a student paper competition.

- Second, **GIS after UGA (2-4, 200D Geography/Geology Building)**: Two hybrid panels featuring industry and alumni speakers talking about how they make use of GIS in their industry or in local government. These sessions will be hybrid (in-person/online) with the in-person component in room 200D in the Geography/Geology building.

Keep up with all the event details at the official [GIS Day Linktree](#).
